Step Two - What is the renewal fee and when is it due?

The renewal fee is \$120. Check or money order must be payable to the Iowa Board of Physician Assistant. Renew early to avoid a late fee or lapse in licensure. The board office strongly suggests the application and fee be received on or before September 1.

When is the late fee due?

- A \$60 late fee plus the \$120 renewal fee are required on all applications received in the grace period: “**Grace period**” means the 30-day period following expiration of a license when the license is still considered to be active; October 1 through October 30.
- Renewal applications received after the “**Grace period**” will not be processed. The license will automatically be placed on inactive status.
- Allow 4-6 weeks to process a paper renewal. Once approved, a new wallet card will be mailed to you.

Inactive to Active License Status

- A licensee who fails to renew the license by the end of the “**Grace period**” has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as a physician assistant in Iowa until the license is reactivated.
- To change a license from inactive to active status, the licensee **must** submit proof of continuing education, completed within the past two years, complete the reactivation application, and pay the fee.
 - Apply for reactivation online: <https://ibplicense.iowa.gov>
